⚠ Be aware and protect yourself against wire fraud since transfers cannot be reversed.

Please ensure you have validated the wire instructions and know the recipient.

Scammers use urgency to get you to send money. Be wary any time someone wants you to act now.

Don't send money to refund a merchant who has overpaid you.

I've read and understand the information above.

I authorize Rize Federal Credit Union (RizeCU) to process my wire transfer request as per my instructions provided on this form. In the event the information is incomplete or incorrect, I indemnify RizeCU from any losses incurred by this transaction. I understand I am responsible for any additional fees the receiving financial institution may charge in relation to this wire transfer and authorize RizeCU to charge my account.

Funds are generally received by the receiving financial institution within one to two business days for domestic wire transfers. I acknowledge RizeCU does not guarantee or have control as to when the funds will post to the beneficiary's account once the wire transfer is processed.
